AUTONOMOUS MACHINE VISION

# Oil Pump Pins Integrity verification

## Inspection Use Case

Application

Integrity

Inspection objective

Ensure pins aren't damaged

Potential Defect types

Scratches, dents

Permitted defects

Oil stains

## Production Environment

PLC communication

I/O

## Part Description

Name

Oil Pump Pins

Materials

Metal

Materials

25 cm X 10 cm

Production process

Casting, CNC

Industry

Automotive

## Using INSPEKTO S70
